

Permission Form for School Physical Examination

NYSED requires a physical exam for new entrants and students in Grades Pre-K or K, 1, 3, 5, 7, 9 & 11; annually for sports; and working papers as needed. The physical exam should not be more than 12 months prior to the beginning on the school year in which the physical exam is required.

Dr.Lorraine, MD, from Endwell Family Physicians along with Marina Evanoika, RN, from Vestal School, will be at RCCA to conduct FREE school physicals on Monday, April 29th, 2024 at 9am.

If you would like your student/s to have an examination done by Dr. Lorraine, please complete this form, and the Medical Health History Form and return them to the school office by April 24th.

If you would prefer to have your child's school physical with your medical provider, please submit a completed NYS School Health Examination Form before their current physical expires.

Student Name	Current Grade	Date of Birth

Yes, I consent to my children listed above to have a physical examination performed by the school physician.
